

About www.gealan.com

Area of Responsibility:

Any information about www.gealan.com and any legal information disclosed herein shall apply to the web presence under the URL <http://www.gealan.com> only.

Delimitation:

Being part of the world-wide web (www), the web presence is linked with external web sites which may change permanently. Likewise, such web sites shall, as a result, not be subject to this area of responsibility and shall not apply to the information given below. We checked exactly once that the links neither violate morals nor laws: prior to having them published on www.gealan.com. Such links leading to external web sites can be identified as follows: new browser window, text link, or graphic URL.
